## Description:

Elegance and habitability, these are the atouts of the Eolia, designed by Philippe Briand. With 1.80 m below beam, 4 berths, a toilet compartment, chart table and L-shaped galley, it offers ample living space. A soft, modern hull with a graceful foredeck. The cockpit offers the luxury of a large compartment to starboard.

Below deck one immediately finds the cosy atmosphere of a summer's day at sea. The boat is bright and the table has a convivial U-shaped seat. The aft double cabin is very large, with a companionway (seating in the entrance). The height below beam is 1.80 metres.

## Accessories/Fittings:

Mainsail, dining table in cabin, chemical toilet in separate bathroom
