NEW boat on way at 5-2024	
Cabins	2 + salone
Berhts	4 +2
Fuel Tank	700 lt
Water Tank	400 lt

### Description:

Greenline 40 is a versatile boat that brings "green" sailing within everyone's reach, without neglecting elegance, given by the soft and sinuous lines of its design. With solar panels, it is also possible to use all 220V appliances on board, whether cruising or at anchor. Stepping aboard there is a cockpit that creates a single environment with the interior of the boat, consisting of a kitchen equipped with an induction cooker and refrigerator and a living area with an L-shaped sofa and a table. The layout of the below deck is designed to maximise space and comfort, with a spacious owner's cabin with a central bed in the bow, a second generously sized double cabin and a bathroom complete with shower.

**READY FOR DELIVERY 5/2024**

**Price: confidential negotiation**

## Greenline 40
