• Description:

It is a small open boat 4.65 meters long, in good condition, designed for those who want to move on the sea (or on a lake) with lightness and freedom. The hull is moderate V-shaped, which makes it glide quickly and cut the short wave, typical of the coast, well.

It has a low, sporty profile, a sharp bow and a wide stern, with clean and somewhat "aggressive" lines.

The cockpit is spacious due to its dimensions: central driving seat, and sundeck at the bow which also becomes a relaxation area.

With your 2022 Suzuki DF 40, the boat glides in seconds and reaches top speeds between 26 and 30 knots at light load.

Perfect for trips, fishing, or simply walking around freely.

Furthermore, a trailer professionally adapted to the boat is also for sale - this is already included in the price!
